BLADENSBURG HIGH SCHOOL
BLADENSBURG, MARYLAND
June, 1951

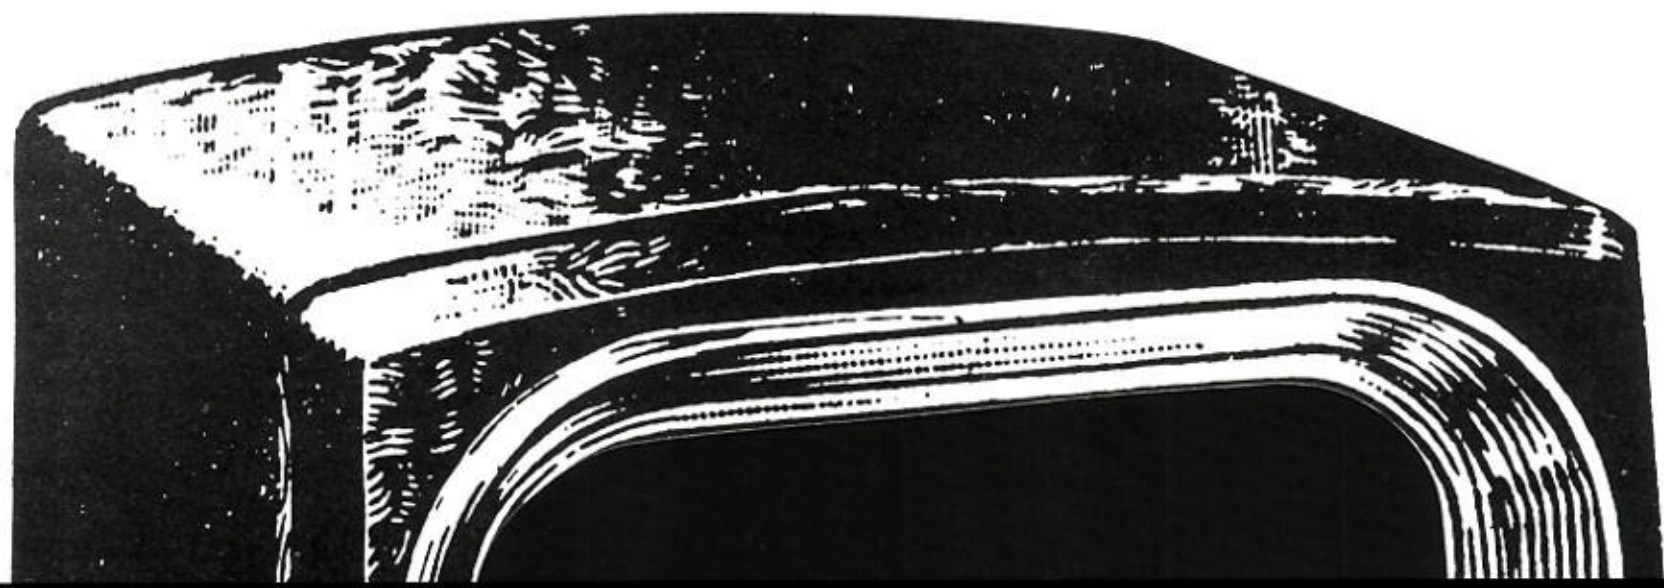

Dedication

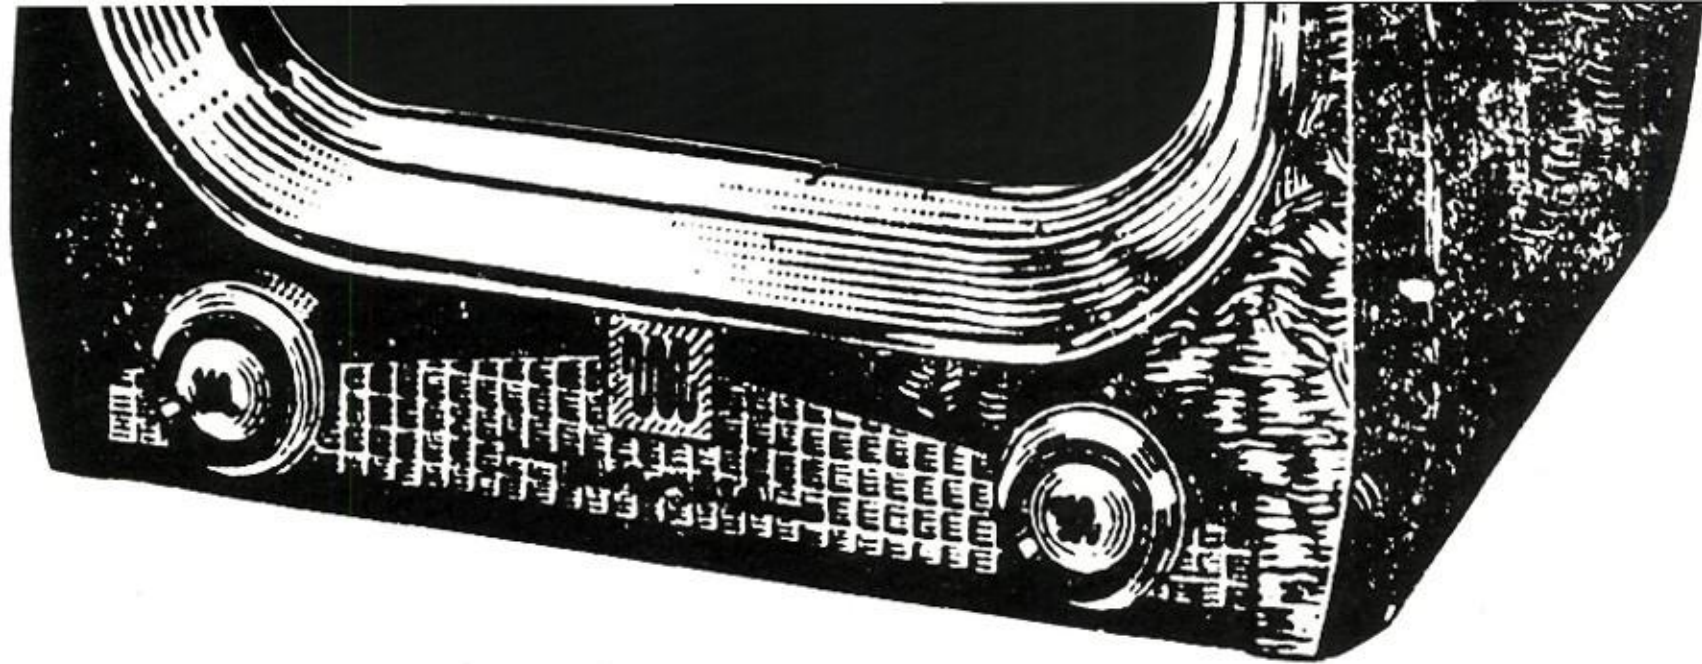

Many persons have had a part in the development of Bladensburg High. Few, if any, have had a more sincere interest in the affairs of the school than Kalman J. Vozar. In appreciation of his many services to the school during his two years as assistant principal of Bladensburg, the editors and the seniors respectfully dedicate the 1951 PEACECROSSER.

Introduction . . .

WITH a feeling of deep pride the class of '51 presents its yearbook to you, the students and teachers of B. H. S. As you leaf through these pages, you will see passing before you in revue, the lasting memories of this year. You will have an "inside look" into the lives of two hundred people and a chance to view the many incidents of this past school year which will never be repeated or equalled. The underclassmen yet to graduate will understand what a wonderful and peerless thing a mere book can represent in the minds of graduating seniors.

We Thank...

We, the members of the 1951 class of Bladensburg High School wish to thank Mr. Leedy and Miss Yowell for their continuous work and cooperation in helping us to complete a fine yearbook. Their interest and support in our project has been great and it is with much gratitude that we, the seniors, say farewell to them, our sponsor, and the custodian of our money.

Your Junior Revue

WE, the seniors of B. H. S., are proud to be followed by such a fine Junior Class. The officers, Donald Greene, president; Larry Ricker, vice-president; Virginia Gough, secretary; and Betty Klotz, treasurer; have proved very worthy of their positions. Their stellar social event of the year was the Junior Prom, given in honor of the seniors. This, and all the other activities in which the class of '52 participated, were huge successes.

The Sophomore class of 1950-51 will always be remembered for its election of class officers because it staged the biggest, most colorful campaign ever to be held in the history of B.H.S.

At the end of two weeks of discussions and speech-making, the sophomores placed in office—president, Richard Robertson; vice-president, Leonard Mink; secretary, Ida Gertrude Zollinhofer; and co-treasurers, Carol Bordewisch and Ellen Hershberger.

The highly commendable Sophomore Dance of April 6th did much to prove that these people will accomplish a great many worthwhile things in their years at Bladensburg.

A YEARBOOK is the history of the yearly activities of the student body, and the history compiled in this publication we, the yearbook crew, have endeavored to make as nearly accurate as possible. However, it is very difficult to gather all the sentiments of over one-thousand students into one small volume. The staff hopes, nevertheless, that throughout these pages you will find some picture or phrase which will recall to you the details of your past years at Bladensburg.

For many of the staff this required spending nights working, arranging pictures, typing copy, and doing all the small tasks so essential for a publication. This involved sacrificing weekends, cutting classes, losing hours of sleep, and spending much time working. This has not been drudging work, for we have had fun assembling the contents of the PEACECROSSER. There have been mistakes and the errors are present. However, we hope that you will find this book full of memories of the past year.

I, as the editor, would like to thank all those people who gave their time so generously and patiently in order to complete this volume. My thanks go to the photographers, who labored in the darkroom for many a day, to the girls who typed and read copy, to the "ad-getters," to the writers, to the bookkeeper, and to all of those who gave their time and energies so willingly in order to complete jobs that are asked of them.

We, the PEACECROSSER staff, present this yearbook to you, for your approval and criticism. May it help you to remember the class of '51 and may we wish you, the underclassmen, the best of luck in your future years at Bladensburg.

EDITOR, DOROTHY MUDD.

"What a relief—but what a copy!!" Editor-in-chief Gus La Mar relaxes with his co-editors.

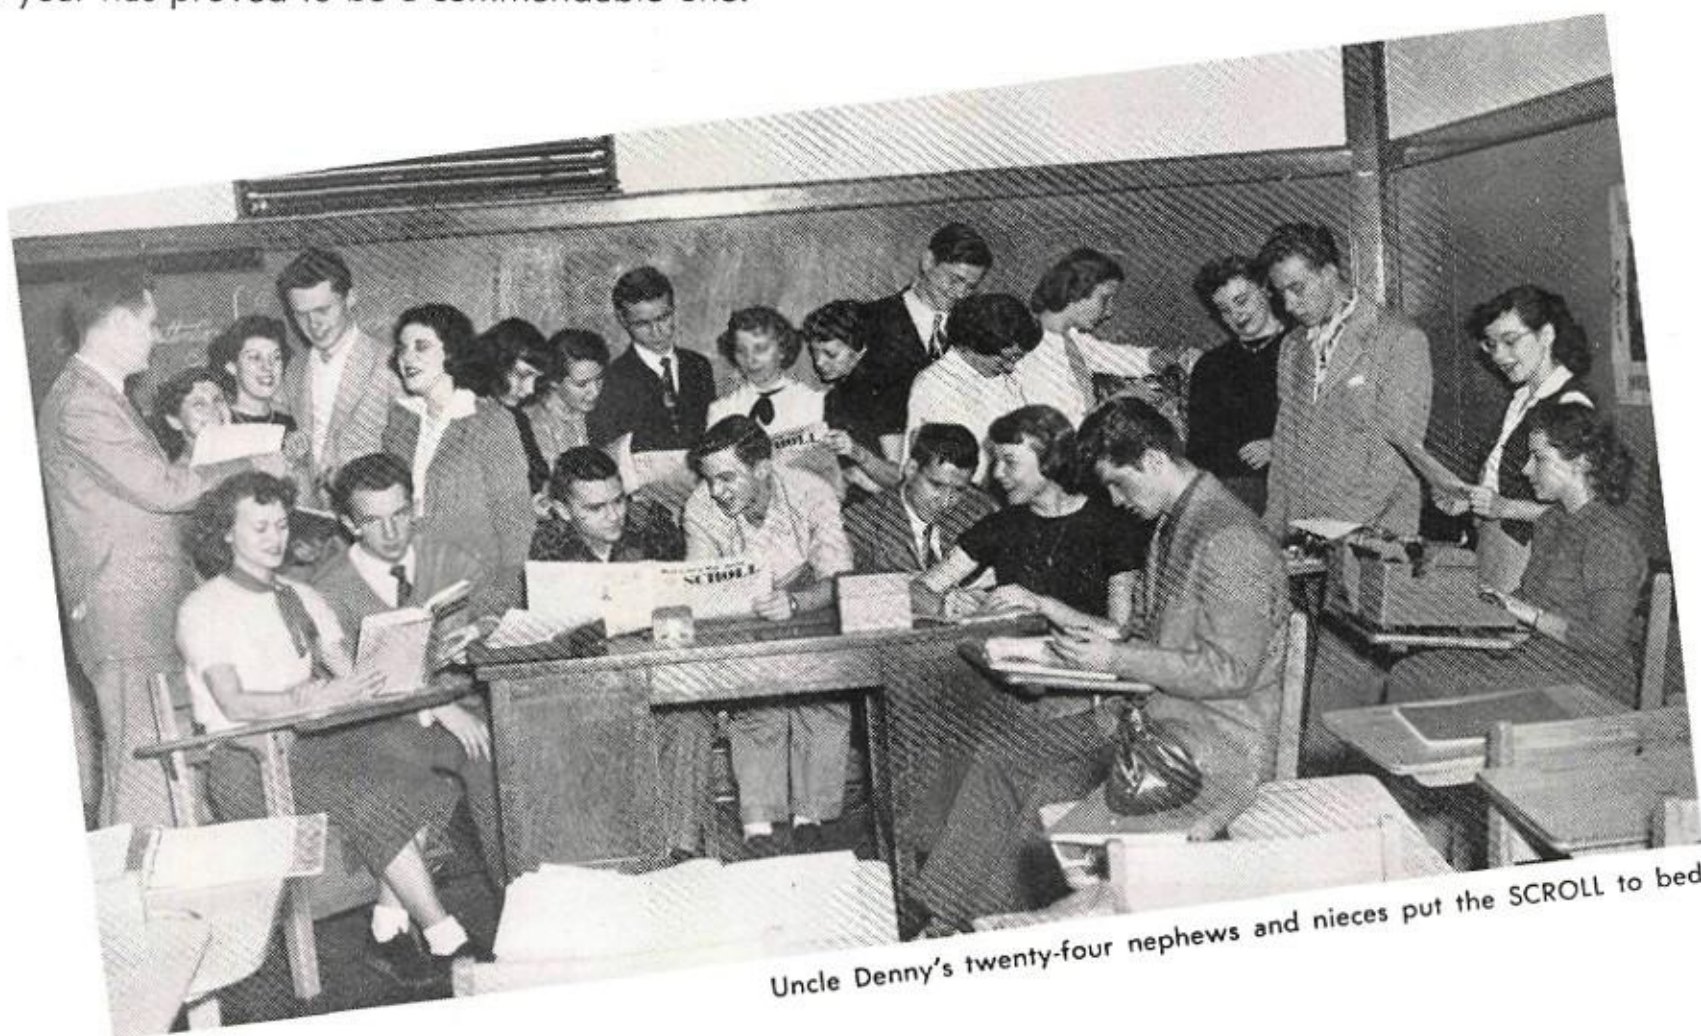

Make-Up Staff speculates positions for front-page articles.

A scroll, according to Mr. Webster, is a piece or roll of paper, with writing on it. The SCROLL at Bladensburg is also a piece of paper with writing on it, but here it is an important one, for it is the school newspaper.

Under the direction of Mr. Dennis Blizzard, the SCROLL made progress in the past year, due to the aid of his Journalism class. The staff learned the essentials of good newspaper work. Accordingly, each SCROLL was an improvement over its predecessor. The staff, and Editor Gus LaMar worked long and hard to produce an interesting and informative edition each time.

The SCROLL, which sponsors the Christmas play, deviated from its usual role and ventured into the social field to give a 'Twirp' dance on December 8. The dance has been acknowledged as a great success and the year has proved to be a commendable one.

Uncle Denny's twenty-four nephews and nieces put the SCROLL to bed.

They Stand Accused...

FIRST ROW—(l. to r.) N. Parrott, T. Thoman, J. Hartman, J. Davis, Mrs. Barkley. SECOND ROW: N. Fletcher, C. Sorrel, B. Gessner, P. Honour, J. Coder. THIRD ROW: R. Robertson, M. Offutt, N. Magtutu, B. Gordon.

This is the third year at Bladensburg High School that the Student Court has been organized. The purpose of this organization is to eliminate many offenses which occur throughout the school. Students who receive summonses for breaking school rules are sent to the court where their cases are heard and tried by the jury. After the defendant has stated his case and the jury reaches its verdict, Judge Joe Hartman pronounces a penalty. This method of fair trial has proved to be a great help in maintaining school order during its years here at Bladensburg High School.

The Plainclothesmen...

"No going to lockers between classes, Keep to the right, Don't give me a summons," are many of the comments one may hear in the halls as the Student Patrol attempts to bring order out of chaos.

The Patrolmen, sponsored by Mrs. Barkley, are selected on a basis of reasonable scholastic standing and leadership. While the Student Patrol may not be one of the most popular student organizations, it is one of the most useful in terms of school administration.

People's Platform . . .

THE STUDENT COUNCIL proved this year, better than ever, that it is a fine form of government for Bladensburg High School. It is representative of the student body and has been active in helping to establish worthwhile rules that improve the school and gain beneficial liberties for the pupils. One of the organization's other important activity for the year has been visitation at other schools to study their various governments in action. Joe Hartman was president of the Council; Bob Thrift, vice-president; Nancy Crawford, secretary, and Larry Ricker, treasurer.

Quiz Kids . . .

The National Honor Society has been unusually active this year. Several social events were added to the usual schedule of events. Along with these, the society had its inductions and initiations. Also, the N. H. S. helped in many school activities by sponsoring the Honor Roll and the annual Career Night.

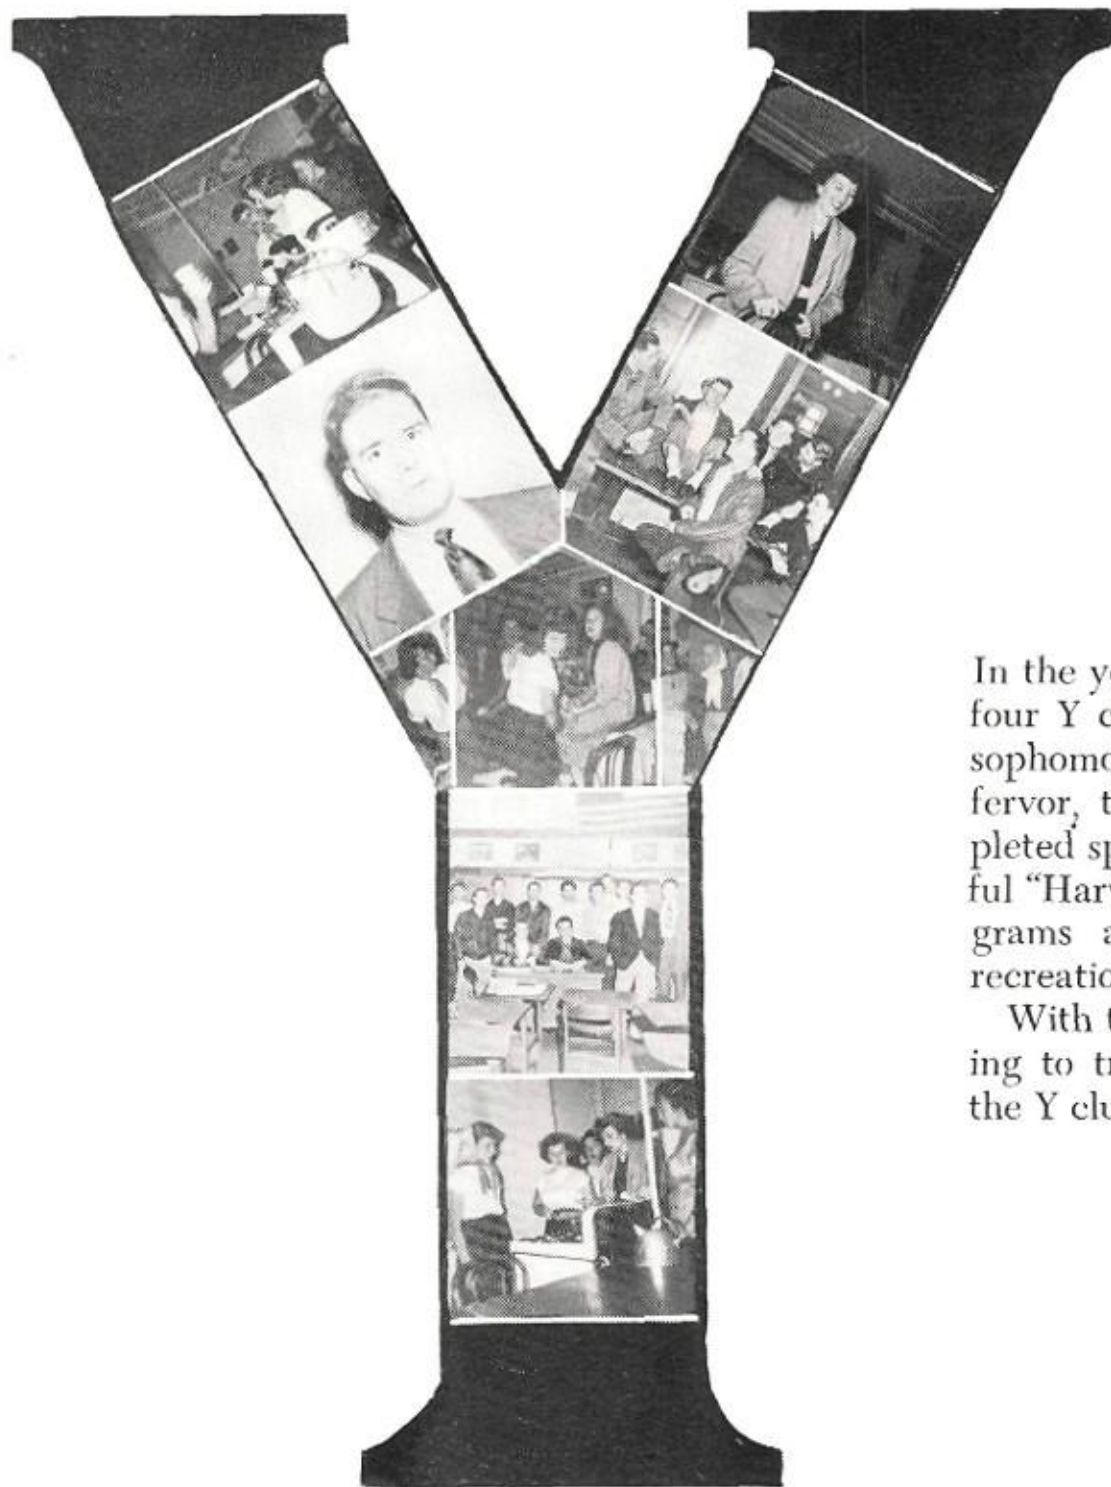

To be eligible for the society one must have good character, scholarship, leadership, and must have displayed service to the school. Those that were eligible voted to determine who would become members of the N. H. S. The officers elected by last year's N. H. S. were: President, Joe Hartman; Vice-President, Nick Magtutu; Secretary, Jean Davis; and Treasurer, Dorothy Mudd.

In the year 1950-51, Bladensburg mothered four Y clubs, including a newly organized sophomore group. With their accustomed fervor, the senior and junior groups completed special projects, sponsored a successful "Harvest" dance, provided religious programs and participated in post-meeting recreational activities.

With this well-rounded program, according to tradition, the four 1951 editions of the Y clubs enjoyed an outstanding year.

Homemaker's Exchange . . .

THE FUTURE HOMEMAKERS OF AMERICA is a club open to girls studying home economics in junior and senior high schools.

This year, the Bladensburg chapter had an approximate membership of thirty girls under the sponsorship of Mrs. Regan. The members, who were very active, planned and completed many projects. These included a fashion show for the girls in the school, a visit to another home economics department, support of an overseas campaign, and preparation of exhibits for the Marlboro Fair next fall.

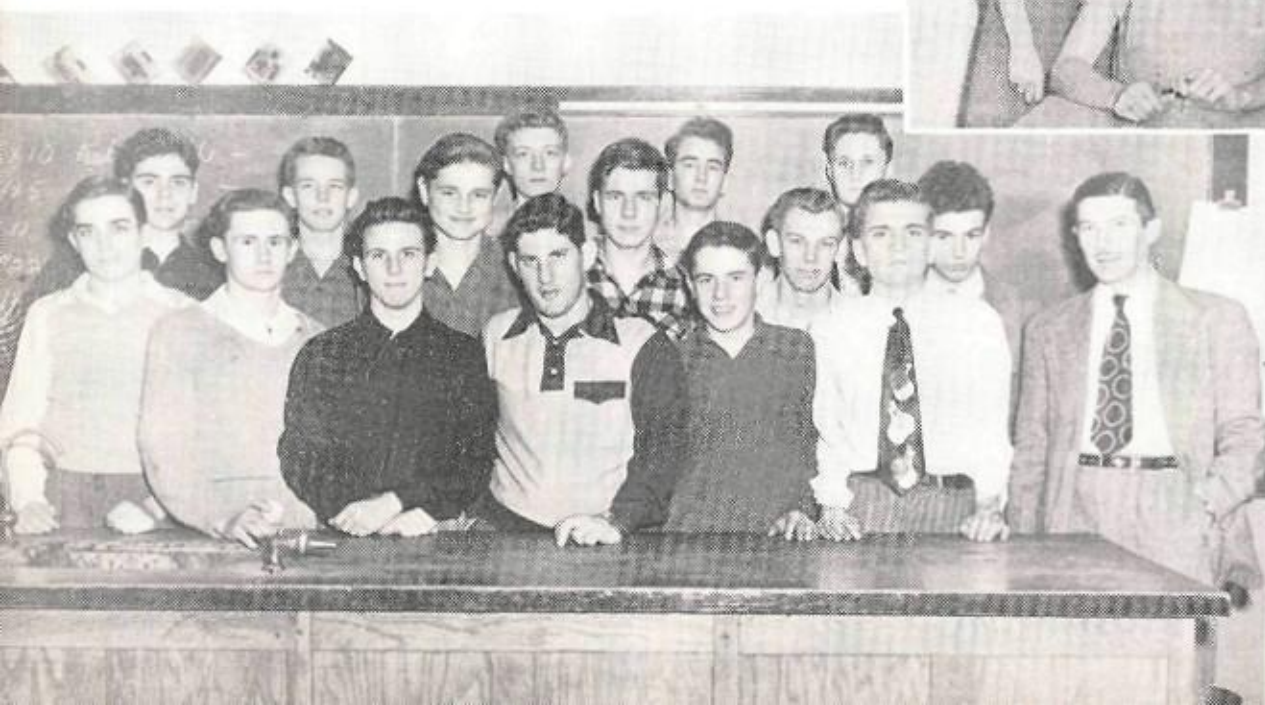

Mariam Moore was elected to serve as president.

Chuck Wagon . . .

Our cafeteria is one of the most important segments of the school and is run by the students under the able guidance of Mrs. Collins and Mrs. Young. They work hard at the counters, the steam table, as cashiers, and without their willing services, it would be impossible to have a well-organized cafeteria in our school.

Feature Film . . .

Under the supervision of Mr. Gerster, the Photography Club as usual offered its very essential and valuable services to the multiple organizations of the school. It provided a large part of the photography for the PEACECROSSER and most of the photos for the junior high school annual. Marvin Riibner and David Urich were president and vice-president respectively.

This past year has been an active one for Bladensburg's Glee Club. Under the direction of Miss Whittington, the chorus produced a minstrel, a Christmas program, performed on radio stations WGAY and WMAL, and took part in the annual county chorus. Their contributions to assemblies and other programs enhanced the value of many events of the year.

Scenes from "Headin' for Harlem"—The lively Minstrel written by Barbara Browning and Tom Walters included a surprise cast of entertainers.

Time Out For Fun!

HALLOWE'EN DANCE

The student council sponsored the "Halloween Dance" on October 20th for the entire student body. With a Halloween theme, a host of entertainers, and a record turnout, the first dance of the year established a feeling of social success in the school.

Before the Christmas holidays, the SCROLL staff gave the "Twirp" dance keeping with the celebrated "Twirp season." The music was supplied by the J. P. Combo; and although it was the girls' choice, the boys did seem to mind, for a large enthusiastic crowd attended this gay affair.

Bouquets go to the P.T.A. for combining school and outside talent to produce a well-rounded vaudeville show. Purpose: Final payment on the stage curtains—Goal met! Many thanks go to Mrs. Tuttle who worked hard directing this successful production.

SENIOR CLASS PLAY

The Senior class play MEET ME IN ST. LOUIS was presented on April 3. It was a comedy in three acts, under the direction of Miss Nancy O'Neill and Marjorie Canino.

The play was based upon the life of the Smith family of St. Louis and took place in the year 1904. The adventures, escapades, and the amusing incidents that took place, made this an enchanting comedy.

"And he made me chip my tooth too! See—See!" cries the mutilated Agnes as her surprised sisters look on in horror.

"Gee Rose—you're a real queen," says John before he kisses Rose—and the final curtain closes on a perfect note.

"Here you darn fools! They ought to run you out of town on a rail!", storms the mad conductor.

All Bladensburg Night . . .

The glorious crowning of the king and queen of Bladensburg took place on February 27th in Ritchie Coliseum. An enthusiastic crowd saw the crowning of Dorothy Mudd, the thirteenth Queen and Johnny Shearer, the tenth King of "All Bladensburg Night." They were attended by a court made up of the following seniors: Joe Hartman, Don LaMar, Ted Thoman, Boni Medina, Calvin Green, Richard Chinn, Gump Anderson, Don Fierstein, Ronny Groves, Nick Magtutu, Joe Bucca, Beverly Baker, Betty Carter, Nancy Coon, Alice Corcoran, Nancy Crawford, Evelyn Stansbury, Jean Davis, Beverly Souder, Rosemary Myers, Katherine Schindling and Norma Schnopp. They made a picturesque scene with the boys in their best suits and the girls clad in brightly colored gowns.

Gloria Love, Queen of 1950, crowns John Shearer, Tenth King of B.H.S.

Our girls' varsity started the evening off by playing Washington and Lee High in an exciting basketball game. Our Majorettes and Flagtwirlers performed during the half of this game and demonstrated a new, interesting routine. A program of folk dances was presented immediately after their game.

The boys' varsity completed their season and provided a fitting climax to the evening by downing Laurel High.

The Senior Prom

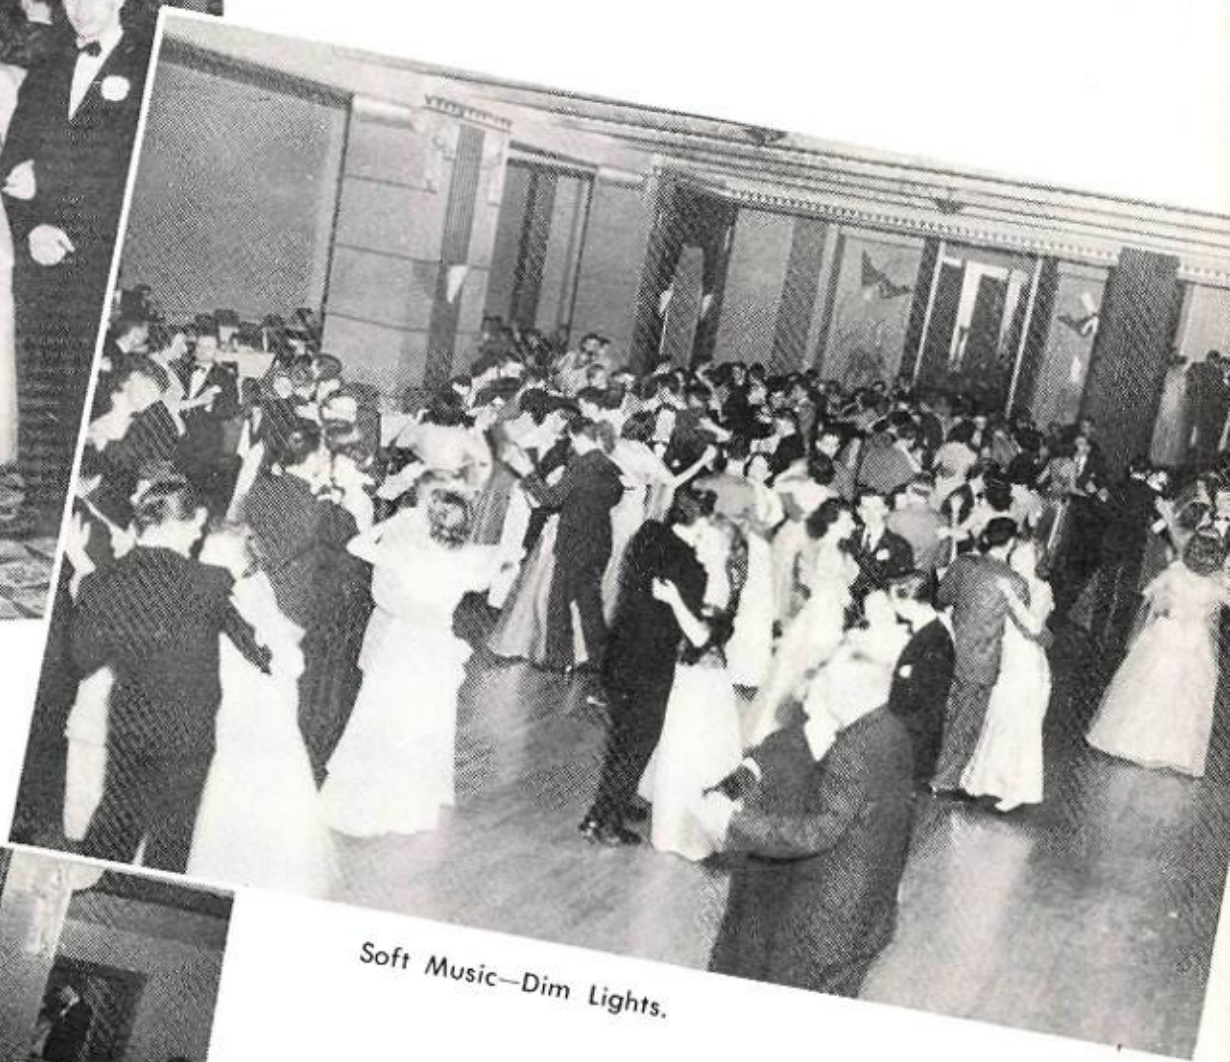

The senior prom, the climax of the senior year, was held in the ballroom of the exclusive Kennedy-Warren Hotel. This marked the first time in the history of B.H.S. that a senior prom was given outside the school.

The hotel provided a beautiful setting for the happy couples that glided across the dance floor to the music of Tommy Burke and his orchestra.

The planning of the prom was excellent as indicated by the appreciative expressions of all who attended. The senior prom will long be remembered as the most exciting evening spent by the entire class of 1951 seniors.

The receiving line awaits the Seniors and their guests.

UNDER the capable coaching of Mr. Harry Hughes, the Soccer team wound up in second place with a record of three wins, one loss and one tie. One of the highlights of the season was the win over Oxon Hill, who last year held the title of County champions. The schedule and scores for the season are as follows:

2—Bladensburg	Frederick Sasscer—1
2—Bladensburg	Oxon Hill—1
*1—Bladensburg	Gwynn Park—1
0—Bladensburg	Surrattsville—1

No backslaps, no publicity, no trophies for being champions — but the satisfaction of a good job well done. The above statement holds true of how I would describe the 1950 football season at Bladensburg.

In 1949, when we won the football championship, our schedule was comprised of five conference games and one with outside competition. This year, we played five conference games and three games other than those in our league. Our schedule was difficult in several respects. We started early with McKinley Tech of Washington, D. C. (which eventually went on to win the western division diadem) and lost 39-6. This game served its purpose as we uncovered several weaknesses — namely, our ends which later in the season became our strong point.

Our second game was against Bethesda, and the contest ended in a 6-6 deadlock. It was during this contest that the team showed signs of becoming a winner. Anderson, Chinn and Cal Greene stood out on offense, with J. Medina, Bieligg, Groves, Thrift and Long outstanding on defense.

The Laurel game was won by Bladensburg, 40-6. This avalanche of touchdowns was featured by Buddy Baumgardner's scintillating 85-yard run of the second half kickoff.

Greenbelt was beaten by the score of 26-0. Here, the running and blocking of Bobby Anderson were outstanding, and for the first time, the timing and teamplay that had been lacking in past games were displayed.

The Mt. Rainier game was won 20-6 but my hat is off to Joe Murphy, my friend, and his team for their stellar playing. Our boys quickly capitalized on two fumbles to score early in the first quarter. The work of our ends, Bieligg and Groves, plus the continued fine work of "Poncho" Medina, stood out.

Twenty-six to six was the score by which we lost to the powerladen cadets of St. John's, who later went on to play for the Metropolitan Football Championship against our neighbors from Eastern. The boys wanted this one badly, and the coaching staff, plus the squad, went through probably the most gruelling three days of football practice in our young football history.

My hat is off to Joey Gallagher for his fine football club which was by far the best team we have played in two years.

The big one was next — Maryland Park, the team we had beaten in '49 for the championship. We offer no excuses for this game which we lost 12-6 to a better team. This contest, like all championship games was hard fought and rugged. It was straight football with no fancy trimmings, just "sock 'em and sock 'em" with the edge going to the hard-charging Trojans from Maryland Park. As in all contests, someone has to lose, and my heart swelled with pride as my boys congratulated the victors for their winning effort.

At no time in my many years at Bladensburg have I felt such pride to be a part of this fine institution as I did when all the student body led by our cheerleaders stood outside our bus and cheered the boys after they had lost the championship.

With true Bladensburg tradition we bounced back five days later to defeat Hyattsville 13-0. My hat goes off to John Shearer in this contest for his fine all-around playing. This tall youngster from Landover Hills played probably the finest game of his high school career. I hope that like his predecessor, Paul Magtutu, he will go to college and continue his fine play.

It would not be fitting to close this article without expressing our gratitude to two very dear friends of our football program. First, we should like to pay tribute to our dearly beloved and lately departed Superintendent of Schools, Mr. G. Gardner Shugart, for his efforts in making a football program possible in Prince George's County. Second, we should like to say a big "Thank you!" to Mr. John Devine, our former head line coach, for his fine spirit, his friendliness, and his hard work with our team.

Touchdown Thrills . . .

When the 1950 football season came to its glorious close, it marked the second year of organized school football in Prince George's County. Although we did not retain our title as county champions, there still remained in our school, the pride of a winning ball club. In one of the hardest fought, most fiercely contested battles in the league's two year existence, Maryland Park scored a 13-6 victory to land Bladensburg into second place in the Prince George's County Football League. While the powerful Bladensburg line held the opposition to 89 points in 8 games, the offense tallied 131 points on the ground and through the air. The '50 season can be considered a highly successful one, the Blades ending the season with a record of 4-3-1.

Leave It to the Girls . . .

In a thrill-packed topsy turvy season, the Bladettes won four games and lost six.

Highscoring forward, Joyce Payne, garnered a grand total of one hundred and two points, an average of ten a game. Guard Evelyn Stansbury used her keen skill and alert playing to gain the well-earned title of best defensive player.

Under the guidance of Coach Willard the girls played their hearts out in each contest and even though they were not a winning ball club, they practiced the essentials of fine sportsmanship and produced a varsity to which we owe a great deal of praise.

. And the Boys

Led by fighting Coach Merle Duvall and sparked by captain and highscorer, John Shearer, the 1951 basketball team closed its season with Bladensburg in possession of a 6-12 over-all record.

Though only partially a successful season as far as the records go, the Blades ran a close second to league champs, Maryland Park.

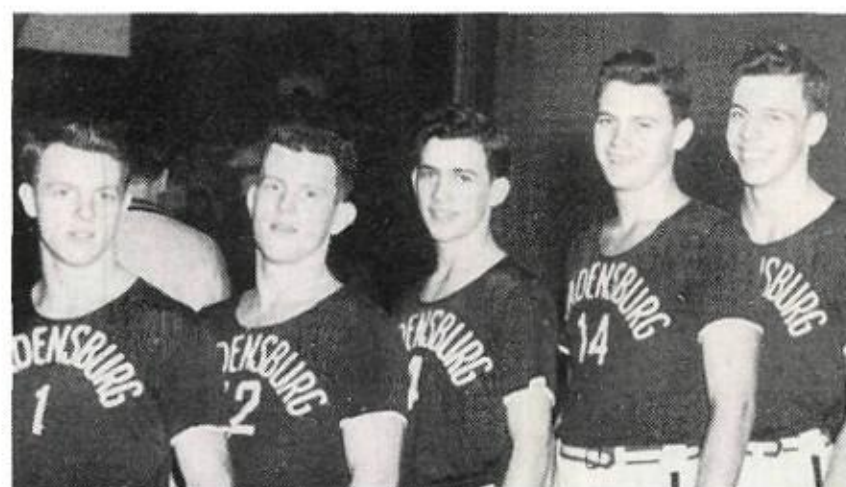

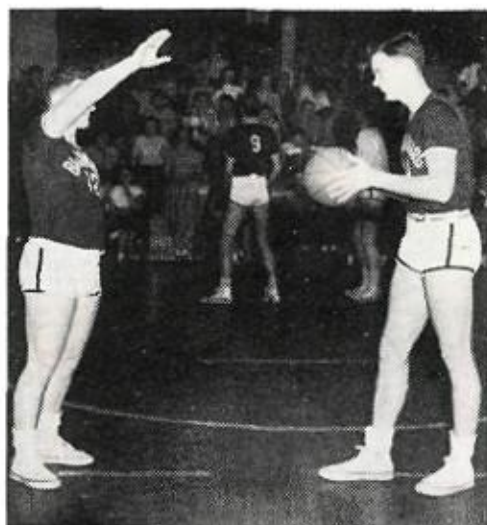

The 1951 basketball season was exciting and hardfought, abounding with close games and last minute thrills.

BECAUSE the yearbook went to press before baseball season started, the PEACECROSSER was unable to secure a team line-up. However, we are sure that the group under the capable direction of Coach Harry Hughes will live up to the challenge set for them by last year's squad. With a full schedule of games and an interesting trip to Mt. Vernon which will highlight their season, the team will have spent an exciting baseball year and have produced players that excel in sportsmanship, play and spirit.

Johnny, Joe, Gump, Al and Cal represent Mr. Hughes' 1951 baseball team.

THIS YEAR we have been represented in every field of sport by the best cheerleading squad ever to be in B.H.S. We are proud to have been guided at games by these peppy leaders.

The group, consisting of eight girls, two boys, and two substitutes, spent many long hours of practicing, making up new cheers, and introducing their new systems of cheering to the student body at "pep"

assemblies. The entire squad added zest and color to every game. This chosen group also united the students in a spirit that made Bladensburg's cheers echo everywhere.

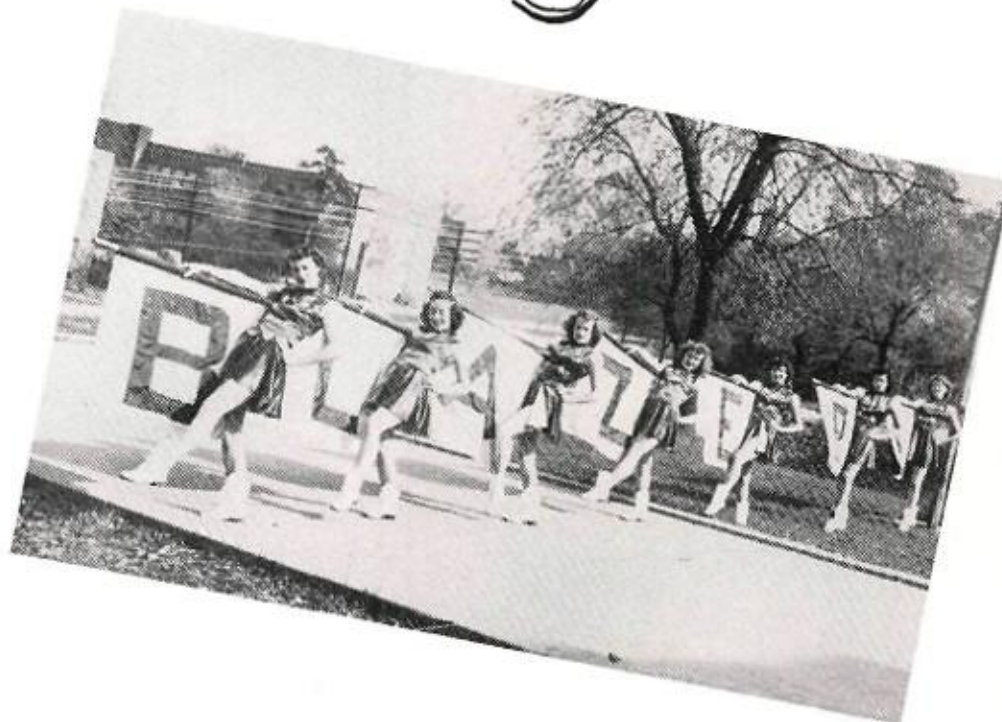

Special credit should be extended to Nancy Crawford and Edna Shoemaker, co-captains, and to their sponsor, Miss Anderson, who gave her efforts in producing an excellent staff.

FLAG TWIRLERS AND MAJORETTES

The 1950-51 Flag Twirlers and Majorettes made a fine showing this year under the sponsorship of John M. Devine and coach Harry Hughes. Marking the second year Bladensburg has had girls participating in these activities, they have gone over with immense satisfaction to the students, teachers and spectators alike.

The girls, who added color to the gridiron field, designed their own uniforms.

We would like to commend these hard working, enthusiastic girls for their fine exhibitions on the athletic field.

"Maestro" Hoffman rests between band practices.

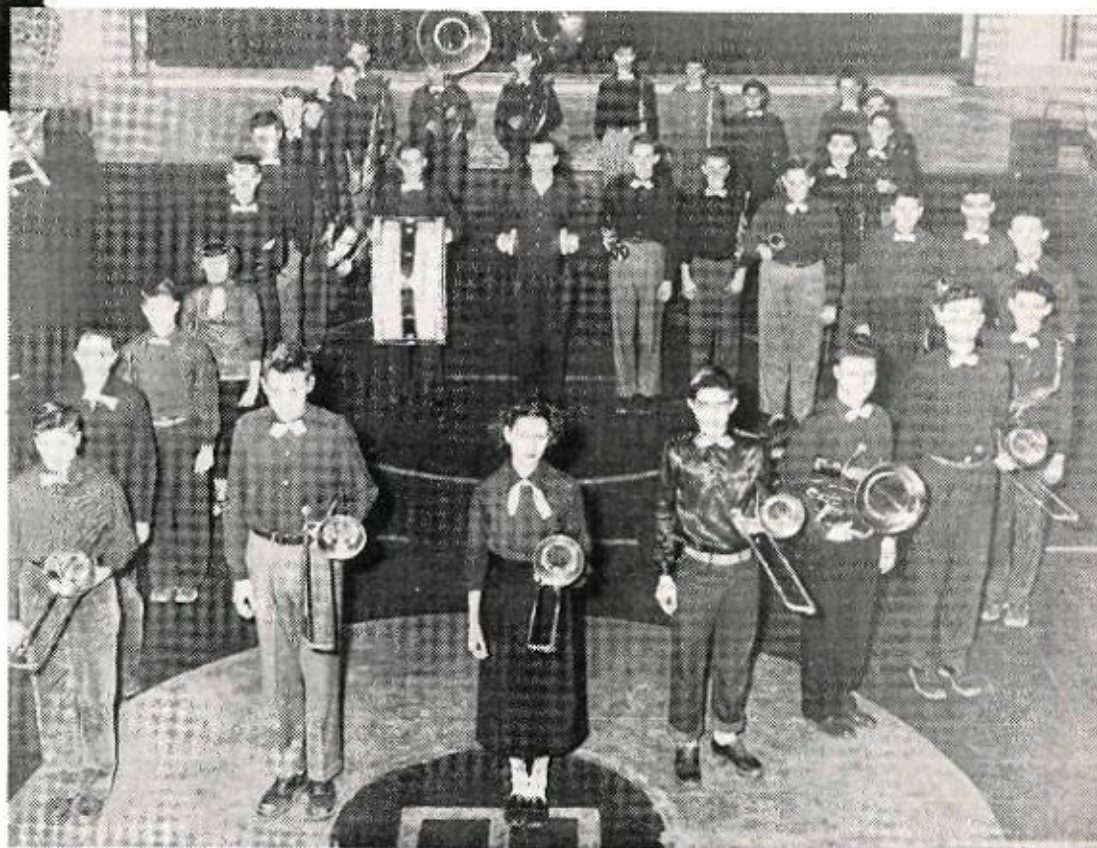

The Bladensburg High School band directed by Mr. M. Dene Hoffman has grown from a small eight-piece ensemble to a forty-five piece band since its beginning in the fall of 1949. This year the group has made many public performances which include P.T.A. meetings, football games, pep assemblies, and various other concerts.

The band provided the music for the All-B.H.S. Nite ceremony and presented a spring concert for the general public, besides playing at the graduation exercises.

FOR many years we seniors have dreamed of and planned for our graduation, often not fully appreciating the advantages offered to us by Bladensburg High School. Now that we are prepared to shoulder more adult responsibilities and experiences, we look back upon our years here and know that they have been some of the best. The companionship, the school spirit, the creative guidance of our kind faculty, the feeling of democracy so prevalent in our school activities — these are the things that we will miss.

The senior hall is symbolic of the many days which we have spent at B. H. S. It brings memories of the morning crowds gathered outside of classrooms, the clanging of lockers opening and shutting, the rush to get to classes, and the 3:30 bell. Night activities, which found many students dashing through our empty, echoing corridor in order to prepare for meetings and attend games and performances will also take their place in our memories of "The Senior Hall."

When we leave Bladensburg, there will be a feeling of sadness, but also a feeling of deep gratitude for having been well prepared for the future.

We Conclude...

With this presentation, the staff of the PEACE-CROSSER hopes that this book will serve in years to come as a memento to the seniors just as their school year was to them in 1950-51.

We hope you enjoyed this book. We did our best . . . and for its shortcomings, remember that we are students, too, with classes to attend and tests to pass.

We wish to express our thanks to everyone who contributed his time and effort towards making such a yearbook possible.
